Approved (A)

These programs are currently approved for WIOA funding. Individual eligibility and suitability conditions apply.

Specific Enrollment (SE) Conditions Apply

These programs have specific conditions for enrollment. Enrollment conditions have been placed on these training programs for one or more of the following reasons: a) there are limited employment opportunities in the specific occupational area b) prior program success has been undetermined and/or c) the entry wage level may not meet performance goals. Individuals interested in these training programs must show: a clear career interest and aptitude toward the occupational area; commitment of employment upon completion of the training (pre-hire); previous experience within the occupational area; necessity of training in order to successfully obtain employment; completion of an individual's training plan as outlined in the Individual Employment Plan. Approval by the Land of Lincoln Workforce Alliance Enrollment Committee is required prior to enrollment.
