

2025 National Health Center Week

In-Person Hiring Event

Friday, August 8, 2025 9:00 am – 12:00 noon

Location: Illinois workNet Center, 1300 S. 9th Street, Springfield, IL 62703

Multiple Employers Onsite

This is a great opportunity for applicants to learn about open positions, interview on the spot, meet the company, and ask questions. If you haven't attended a hiring event in the past, here is information about what to bring for the day and what to expect during the event:

- **Updated Resume** – It's important to have an updated copy of your resume that includes your relevant work history, contact information, licenses, endorsements, skills, and other achievements.
- **Questions** – Do you have questions about the position, requirements, or employer? Write these questions down, and bring them with you to get answers on the spot.
- **Interview/Meet the Recruiter** – This is a chance to share more about your background and career goals. Recruiters will ask questions about your **previous work experience, why you want to work for that employer, and what makes you a good candidate for the position.** Be prepared to answer these questions!
- **And – Dressing Professionally** – won't hurt your chances of landing the job!
